Dallas County Local Housing Trust Fund Owner-Occupied Rehabilitation Program

The Dallas County Local Housing Trust Fund (DCLHTF) has a mission "to provide and expand safe and affordable housing to low income residents of Dallas County." To qualify for assistance from this program, the homeowner must meet all of the following requirements:

- The property to be assisted must be located within Dallas County.
- Income limits of the household must fall at or below 80% of the median family income.

Number of Persons in Household	1	2	3	4	5	6	7	8+

The work is paid for by the Program through funding from the Dallas County Local Housing Trust Fund, Inc., the participating cities and other contributors. The financial assistance from the Program is in the form of a forgivable loan. The maximum loan is \$10,000 and the minimum loan is \$500 per household. The loan will be recorded as a mortgage to the property, with a term of five (5) years, decreasing proportionately with the passage of time, bearing no interest. Get to Know the Candidates!

Our City Election for Mayor and City Council will be held Tuesday, November 2nd. We will vote for Mayor and 3 City Council Seats. Here's a little bit about each candidate to consider when determining your ballot choices.

Mitch Crozier is the only candidate for Mayor.

Most everyone knows me by Mitch. I'm running for Mayor. I'm married to Ginger and have lived in De Soto for 35 years. We have two children and six grandchildren. I have 8 years past experience on De Soto's City Council. I would like to see us continue with the growth we have now, while the City has control. I'm aware of what's going on and projects in progress. I attend most Council Meetings and currently serve on the Board of Adjustment. I raised a family here in town and don't plan to leave any time soon. I'm retired and can devote the time needed to serve as Mayor. Questions? Feel free to call me at 515-979-3132.

We have six City Council Candidates to consider.

Jenni Arnold

My name is Jenni Arnold, and I have been a De Soto resident for 14 years. My husband Mark is a firefighter and EMT with the De Soto Fire Department, and currently serves as the Assistant Chief. We have four adult children age 20-26 that we are incredibly proud of.

I am a Project Manager for Farm Bureau Financial Services in West Des Moines and have been there since 2009. In this role, I manage many company initiatives and am responsible for making sure the initiative's scope, schedule and budget all remain on track. I feel that my experience in this role would be an asset to a Council position.

On a personal note, I have been involved in many volunteer activities over the years, including: Parent/Teacher Organization, ADM Athletic Booster Club, ADM After Prom (co-chair), Team Parent, Volunteer Youth Coach, Girl Scout Leader, Children & Families of Iowa, United Way, Variety Of Iowa, & Women United. In the De Soto community, I am currently a member of the De Soto Betterment Committee, the De Soto Fire & Rescue Non-Profit, and am a member of the De Soto Fire Department in a clerical position.

Now that my kids are grown, I am very much interested in getting more involved in our community. I look forward to having the opportunity to serve the residents of De Soto!

Steve Jones

My name is Steve Jones. I have lived in De Soto since June of 2014. I have 2 children, and have been married 23 years to my amazing wife Billie Jo Jones. My hobbies are photography. Watching movies, and hanging with friends when I can around the fire.

Since I moved to De Soto I have been an active member of the community. I am on the Library Board of Trustees, and the Board of Adjustments. I was also one of the founders, and an active member of the De Soto Betterment Committee that helped put on the De Soto Fun Days celebrations including the sesquicentennial celebration, along with other events in town.

I know I am a long shot candidate. I am autistic, but I consider that a strength as it allows me to see things in ways that others may not. I am not rich. I do not have money for signs, and things like that at the moment. What I do have is a desire to help De Soto be all that it can be. I want to help show that De Soto exists at the crossroad of possibilities. I want to listen to everyone, and help makes decisions that are good for the people of the town who vote for me, and to make sure their tax money is being used wisely.

I ask for your vote, and your support on Election Day. Thank You.

Josh Minton

Hi, my name is Joshua Minton. I have an amazing wife and 3 children that call De Soto home. I also own a small business here in this community. I am running for city council as I want to help our community grow and still have the small town feeling. I was appointed a few months ago to fill the rest of the year for an open Council position. It has allowed me to get some experience and knowledge of how everything works. I want to work with the community to make De Soto the best it can possibly be. I cannot wait to share my ideas and hear yours to help our small town dreams become a reality!

Mark O'Leary

I am 64 years old, retired, and have lived in De Soto area for over 20 years. I am married to Misty O'Leary. We have four children, five grandchildren and one on the way. Before retiring, I worked for CEC Entertainment opening up new stores and remodeling existing stores. I worked in several different states before coming back to Iowa. I now work with and volunteer for AHeinz57 Pet Rescue and Transport. I am the company Vice President in charge of construction, security, and facilities. I am very excited to be a candidate for De Soto City Council. The city

is going to continue growing. I would like to see the growth done in a proper way that benefits both the city and the citizens.

Dustin Padget

I've lived in De Soto for 7 years. My wife and I have a 15-year old son and a 13-year old daughter. I love our small town feel. Our community really has potential to draw people. A lot of progress has been made so far: completion of the Waste Water Treatment Plant and the approaching completion of the Water Treatment Plant to name two huge projects. I value being self-sufficient. I'd like to see De Soto grow in ways to help us be more self-sufficient, including reliable small businesses offering goods and services to add convenience.

I was appointed to fill the Council Seat after we experienced the loss of long-time Council Member Kelly Summy. I have enjoyed serving and look forward to building on what I've learned.

Mat Sanders

I'm Mathew Sanders and I am running for city council. I work for FedEx Ground. I have 2 daughters: The oldest graduated from ADM and is attending Iowa State University and my youngest is a sophomore at ADM. I have lived in De Soto for the past 9 years and served on City Council from 2016-2018. I currently sit on the Board of Adjustments. In my time on council, the city brought in numerous businesses and began to grow again. I would love to see our town grow to more than just the bedroom community we are believed to be. I am running for council again because of my love for our town and desire to see us prosper. Thank you.

See you at the Polls! Pam Bach
